## Gleichen Suffers Over \$40,000 Loss by Fire Sunday Morn

### The Gleichen Mercantile and Furnishing Blocks Total Loss

About 3 a.m. Sunday Gleichen was the scene of another serious conflagration, when the members of two families escaped in their night clothing and fire did damage in the neighborhood of \$40,000, completely erasing the Gleichen Mercantile Co. and the Gleichen Furnishing Co. blocks with their entire contents. While the Call office and the Revelstoke Sawmill Co. buildings on opposite corners from the fire, were saved by the work of the fire brigade. The first warning of the fire was given by Baby Allen, whose coughing, caused by the smoke, awakened her parents, who had apartments over the furniture store. They in turn aroused Mr. and Mrs. Eglesse and the two families escaped in their night clothing. Baby Allen, who was coughing, caused by the smoke, awakened her parents, who had apartments over the furniture store. They in turn aroused Mr. and Mrs. Eglesse and the two families escaped in their night clothing. Baby Allen, who was coughing, caused by the smoke, awakened her parents, who had apartments over the furniture store. They in turn aroused Mr. and Mrs. Eglesse and the two families escaped in their night clothing.

There was a slight delay in getting the alarm sounded, but the firemen turned out promptly and accomplished excellent work. Thanks to Alderman R. W. Brown's invention every hydrant turned on gave a plentiful supply of water. The cause of the fire will probably never be known.

The fire in the Gleichen Mercantile store was very early when the store was closed about 11 o'clock Saturday night and the fire was discovered burning fiercely in the rear of the store. When the brigade arrived the whole store was a seething mass of flames and it was at once apparent that the two blocks which adjoin were involved.

Fortunately there was very little wind and that from the west, which carried the heat and flames away from the two nearest buildings on the opposite corners. Both of these were heated up pretty badly at times but the occasional application of water saved them.

The losses as near as can be obtained at this time will amount between forty-five and fifty thousand dollars as follows:

Gleichen Mercantile Co.	\$32,000
Gleichen Furniture Co., J. Eglesse, stock and household goods	\$ 3,000
Thos. Henderson, Mercantile store building	\$ 3,000
Dr. Parvillarsen, furniture and stock	\$ 3,000
A. Allen, household goods	\$ 3,000

The insurance on all is estimated to be in the neighborhood of \$88,700.

W. J. Kinney and V. V. Wing being the owners of the stock of the Gleichen Mercantile Co.

The fire insurance adjuster was on the scene early Monday morning, but his duties were comparatively light as there was nothing saved from the two blocks, save the few articles of clothing which the families escaped and a few articles of clothing they snatched as they ran from the burning building.

It looked very serious for the Revelstoke Sawmill Co. for a time, and Manager McDermid very much appreciated the splendid work of the fire fighters and the action of the water service. However, as he has been a member of the brigade for sometime it was only returning one of the favors he has conferred upon others. He was heard himself and hurriedly boarded to protect the boys from the heat as they worked.

Gleichen has had a lot of trouble with the water power plant, but who will say it did not prove its full value Sunday morning? There were might that fire have burned without the use of water?

What is the biggest loss Gleichen has sustained by fire since 1916, was in the two hardware stores and hardware shop were continued on Crowfoot Street.

The Call seemed to play in luck as we have had no less than five fires in close proximity to this office, but Sunday morning was the closest shave we have had yet. Naturally the Call gets a mighty lot of our fire brigade. On Monday morning considerable interest was manifested as to how the contents of the Mercantile Co. safe would turn out. F. Pobst, the town blacksmith broke open the safe and the books were found to have come through the fire in excellent shape.

### Repairing the Damage

In response to an appeal of the Local Red Cross Committee, on behalf of the families who lost their homes in the fire Sunday morning last, about forty ladies gathered in the Methodist Church for a social afternoon. Very soon the hall was the scene of busy workers. A cutting table in one corner sawing machines along the full length of one side, and quilting frames occupied all the remainder of the room. In a short time boxes of bedding and other things were ready, which will make a substantial contribution towards fitting up new homes. We are sure, however, that the five sufferers who lost so many things, which cannot be replaced will be helped and encouraged more by the spirit of genuine sympathy and neighborliness shown in the boxes sent to them.

### HOCKEY

The Gleichen fans were afforded the chance of seeing a wonderful exhibition of hockey on Feb. 17th when the Basano girls team were compelled to take the short end of a 2-1 score.

The first period started with some very fast individual rushes. Netta Brown as rover played a wonderful game but it took the assistance of Ed Johnson on a very nice pass to score the first goal. The Basano girls played hard throughout the game but seemed to lack finish at the goal. May O'Connor in goal for Basano made some wonderful saves. Irene Walters starred for Basano on some sensational, all end to end rushes but the Gleichen defense proved to be hard to score.

The second period started with no change in the score the playing being about even. The third period started with some very fast individual rushes but it took most combination play on the part of the Gleichen girls to score the second and last goal of the game. The Basano girls proved hard on the score but failed as Beatrice was unshakable in goal. Dix James was referee and gave out satisfaction.

The Gleichen girls played a return visit to Basano, on Feb. 24th and played a final hockey game of the season. A game proved very exciting from start to finish and the fans were well pleased with the result of the game. The first period ended with the score 3 in favor of Gleichen. Netta Brown proved her efficiency as a rover and the play being principally in the hands of the Gleichen girls. The second period was similar to the first but the play being principally in the hands of the Gleichen girls. The third period ended with the score 3 in favor of Gleichen.

The third and final goal happened with a very good exhibition of team play. The play was mostly in front of the Basano goal but the blue and white were unable to score. May O'Connor in goal proved to be good for Basano. The Gleichen girls played a return visit to Basano, on Feb. 24th and played a final hockey game of the season. A game proved very exciting from start to finish and the fans were well pleased with the result of the game.

### Blackout unipally Election Results

The Blackfoot Municipal election was held on Monday, but was not at all exciting. In fact it is still difficult to get the correct returns, but the expected are the latest obtainable and will have to suffice until the official results, which takes place on Saturday.

O. Christensen	211
F. Daw	121
E. Jackson	116
J. A. Maynard	129
D. McLean	231
J. Kasmann	100
T. Thompson	100
R. P. Umbrell	160

### WITH THE BOY SCOUTS

The Scoutmaster was unable to attend the parade for Saturday, but therefore, it had to be postponed.

The final hockey match of the season will be played on Friday evening, March 2nd, at 7:30 o'clock. A full turnout of the Basano patrol will meet the Engles.

Regular parade on Friday evening, March 2nd, at 7:30 o'clock. A full turnout is desired.

### J. T. Stuart Passes Away

The funeral of the late Mr. Joseph T. Stuart took place on Friday afternoon, Feb. 24th. The service was held in Union Church and was conducted by the pastor. The choir on organ assisted. James McPherson, "Sometime, Well Understood." Among the beautiful floral offerings were a pillow from the U. F. A. and U. F. W. A. A. spray from Mrs. and Mrs. Malley and a wreath from Mrs. and Mrs. Bellinger and family, a wreath from Union Church Ladies Circle and a spray from the Basano Club of which group the only daughter, Josephine is a member.

After the service the casket was carried by Mrs. Bellinger, McPherson, J. McArthur, A. Wilson, F. Daw and David McLean, acting as pallbearers, to the C.P.R. station for shipment to the home of his brother, Youngstown, Ohio. Mrs. Stuart and Josephine are accompanying the remains to the place of burial.

The late Mr. Stuart was born in Ohio, in June 1872. When a young man he heard the call of the West. At Golden, Colorado, he was married to Miss Alice Anderson in the year 1904. They moved to Alberta in 1911 and took up farming in partnership with his brother John Haver. Four years the brothers leased Mr. M. Bellinger's property and in that time, where the family resided until the time of his death.

Mr. Stuart was a good neighbor, a man of habit, honest and true. He was a good man and his active part in public affairs as he otherwise would have been. He was a well-to-do and intelligent farmer, highly respected in the community. An excellent husband and father and a kind, able, and good neighbor. He will be greatly missed. He is survived by his wife and daughter he leaves to mourn his loss three brothers and a sister and an aged father who is now and his eight children. To those and other relatives our sincere sympathy and condolences.

Mr. Stuart was a very active member of the U. F. A.

### DOINGS AT THE PROVINCIAL LEGISLATURE

(From Special Correspondent at Edmonton For Call Readers)

Most of the past week in the legislature has been spent in consideration of various bills on second reading and in committee of the whole. Several measures were advanced to their third reading including the highway bill which provides for a highways commissioner and a board of five. The bill will become effective as to administrative Jan. 1, 1923, but provision is made for the appointment of the roads board in order that they might complete plans for highway construction the coming summer. The board will not have jurisdiction over cities. The bill to guarantee the bonds of the United Irrigation district, near Cardston, for \$645,000, was passed. The bill to create a labor bureau north and to provide for the appointment of a labor commissioner, was passed also.

Amendments to the domestic animals act were passed, including one providing against ranging of sheep in closed areas, which caused considerable debate in the house. These amendments were given third reading.

Bills reaching second reading last week included amendment to the brand act providing that the mark of any brand upon stock bearing the government brand shall not be evidence of the ownership of such stock by the owner of the brand.

Amendments to the mines act are being considered again providing for government grant to societies holding plying matches under certain conditions, amendment to the noxious weed act, providing that no sum in excess of \$200 shall be charged in any year against any one quarter section of land. The bill to provide compulsory measures for extermination of locusts has also been advanced a stage. Mr. Brownlee's bulk sales act has been advanced with the change that the limitation for prosecution for violations has been extended from 60 days to six months.

Amendments to the mines act are being considered, one of which would provide that mine managers have two years' practical experience in Canadian mines before being granted certificates, another which would provide for payment of wages every alternate Saturday.

In response to questions by Earl Cook, Pincher Creek, the minister of agriculture gave the house a statement on the cost of the women's institutes branch. In 1919 the cost was \$16,490, in 1920 it was \$14,987 and in 1921 the cost was \$21,138. Out of the Dominion grant the following sums were paid: 1919, \$9889, in 1920 \$9363 and in 1921 \$9669. Salaries in 1920 totaled \$6475 and travelling expenses of the advisory board \$2034.

Questions by Mr. Mills of Athabasca, as to whether the intention of the government to extend the A. and G. W. to Ft. McMurray in accordance with the charter and guarantee, brought a reply from Hon. Mr. Smith that there was nothing in the charter of the railway to require it to be built into Fort McMurray, and it was found not in the public interest to do so.

The motion by Alex. Moore and J. R. Love that any adverse vote against the government on any measure should not be considered a want of confidence vote unless so expressed, is still standing on the order paper, and will not be in debate until this week some time.

The bill regarding minimum wage for women was still in the committee stage at the end of the week.

Bills introduced during the week include one by Hon. Mr. Reid to provide for adjustment of assessments, and by Hon. Mr. Brownlee to amend the legal professions act.

Proposed amendments to the liquor act will probably be introduced next week by Attorney-General Brownlee. He intimates that these amendments may not be very extensive. R. C. Edwards, member for Calgary has given notice that he will ask the government when it intends to take a plebiscite on liquor control, in accordance with what he claims is the U.F.A. platform.

The total yield of wheat in the three prairie provinces of Manitoba, Saskatchewan and Alberta in 1921, is finally estimated by the Dominion Government at 286,098,000 bushels from 22,181,829 down acres, as compared with 234,138,300 bushels from 16,841,179 acres in 1920. Oat production amounted to 234,147,500 bushels from 10,519,641 acres; barley 14,081,000 bushels from 2,109,065 acres; rye, 19,108,700 bushels from 1,653,223 acres; and flax seed 3,946,700 bushels from 51,972 acres.

This idea might be a very good one to try in Gleichen. The High River Times says:

"A new system of billing electric light customers for current consumed has been put into operation at the town hall. In future the meter reader will make out your bill at the same time he makes the meter reading, and will hand same to the customer."

"It is very essential that the customers present this bill at the town clerk's office when making payment when same will be receipted and handed back to the customer. A meter reading card will be left with each customer whereby they may check up their consumption from month to month."

"This method is a great improvement on the old system and customers are asked to co-operate by always presenting their bill when making payment."

A rare beauty may be one that is not well done.

If a girl is pretty and unable to marry she is a matchless beauty.

It is usually the alimony a man has to pay that makes him figure in a divorce suit.

We don't believe that the kick of a cow is the most acceptable form of milk punch.

The girl that sings incessantly either has a sweet disposition or a grudge against the neighbors.

If a married man dreams he's a bachelor it's a sure sign he will meet with disappointment when he wakes up. When a bachelor has so much money that it troubles him he can easily find some woman who will be glad to share his troubles with him.

To hear them talk one would never think the average life of a woman is four years more than that of a man.

### A POPULAR OFFICER

The Canadian Pacific Steamship Co., Ltd., S. S. "Monticene," which has just completed her maiden trip across the Atlantic is under the command of Capt. G. S. Webster, R.N.R., R.D. He was born on September 3rd, 1867, and joined Messrs. Elder Dempster & Co., on May 21st, 1892. Capt. Webster is one of the most popular officers in the Atlantic.

Capt. G. S. WEBSTER has his first Canadian Pacific command was the "Lake Michigan" in April, 1903, when Elder Dempster's Steamers were taken over by the C. P. R. Since 1903 Capt. Webster has commanded such well-known C. P. R. liners as the "Monticene," "Lake Champlain," "Lake Manitoba," and "Empress of Britain," and during the war the "Monticene" and "Mellie" made many voyages across the Atlantic under his charge.

### Officers of the "Empress of Scotland"

Commander G. C. Evans, R.N.E., of the "Empress of Scotland" and his Officers, Photographed in New York Harbor, February 1, 1922.
